4. The Board is authorised to invite persons specially qualified to give advice by reason of their experience or interest in educational problems, to take part in meetings whenever the question at issue calls for such action. The Board is advised to appoint a sub-committee for women's education.

5. Elections should be conducted in accordance with the rules prescribed in Government of Madras order no. 1767-Law (Education), dated the 24th August 1928, and no. 1486-Law (Education), dated the 18th August 1933.
