PART III.

1. The right to take the contract for exploiting forest produce in the lots advertised for sale in Part I of the sale notice will be granted to the bidder whose bid is accepted by the Divisional Forest Officer and ratified by the Conservator of Forests where necessary. Where the bid is beyond the powers of final acceptance of the Divisional Forest Officer it will be subject to confirmation by the Conservator of Forests and no sale shall be considered valid until such confirmation has been obtained.

2. The Divisional Forest Officer reserves to himself the right to advance, postpone or cancel the auction of any lots shown in the list of timber and other forest produce, to sell lots in any order and to combine and subdivide them as he may think fit.

3. Intending bidders should attend the auction with slips typed or in manuscript indicating their names, father's names and addresses as this will facilitate drawing up of agreements.

4. The Divisional Forest Officer shall have power to refuse the bid of any bidder, absolutely, and without giving reason.
