Examination unless he has taken Physics, Mathematics and Chemistry for the Intermediate Examination, nor Philosophy for the B.A. Examination unless he has taken Logic for the I.A. Examination. Students who have passed the I.Sc. Examination can only proceed in this college to the B.A. Examination by passing the I.A. Examination in one Arts subject at the end of their third year. Exception is made however in the case of students who take the combination E.M. and B.E., provided Mathematics and Botany were taken up at the I.Sc. examination.

Preference is given to applicants who are resident in Orissa and who have passed the last University Examination in the first or second division. No one, however, applying after the opening of the college can claim special consideration. Ex-students of the college who have failed at the last University Examination may be re-admitted

but they have no claim to re-admission. Those who have already spent three years in the Intermediate classes will not ordinarily be admitted. Botany may be taken as a subject in the third year B.Sc. class without previous study at the Intermediate stage.

Students may take admission on any day from the 1st to 3rd July, but applications for admission should be made as early as possible. The hostels will be open from July 1st. Seats will be allotted by the wardens.

Applicants desirous of living in a College Hostel should apply to the Principal for a seat. In the Hostel the annual charges, including rent, hire of furniture, lighting, etc., are about Rs. 35. Students are strongly advised to make arrangements for their residence at least a week before the session begins, as they will not be formally admitted until their residence is approved.
