NOTICE

Applications are invited from Oriyas or those domiciled in Orissa for two research scholarships of Rs. 100 a month.

2. The election will be made in the first instance, for one year only, but a scholarship may be renewed from year to year up to a limit of two years, if the Director is satisfied that the candidate has throughout the year vigorously prosecuted original research in the subject selected by him

3. Each candidate for the scholarship must submit his application through the head of the institution in which he has read last to the Director and must produce evidence of having passed the Master's Examination or of having obtained some other equivalent or higher degree, not more than three years before his application. He must state as definitely as possible, the subject or the section of a subject in which he intends if elected to a scholarship, to carry on original investigation. He must also indicate the institution in which he proposes to work or if no institution is mentioned, the circumstances or conditions under which he proposes to work.

4. The scholarships will be awarded subject to the condition that the candidates selected will have to serve, if required, in the colleges in the Province for at least a period of two years after completion of their course in research.

5. The research scholarship may be held in any institution approved by the Director or original work may be carried on by the research scholar under any other conditions with the previous approval of the Director.

6. At the end of each year's work, the research scholar must submit to the Director a full report on the original work which he has done during the year.

7. The Director reserves to himself the right of deciding whether any of the results of the original researches made by the scholar shall be published and of determining the manner in which such publication shall be made.

8. The Director further reserves to himself the right of declaring without previous notice, that the scholar has forfeited his scholarship at any time during its tenure. Failure to carry out any prescribed condition or to work to the satisfaction of the Director will be considered sufficient reason for forfeiture.

9. The research scholar will not be permitted to undertake any work either paid or unpaid, except that of original research during the tenure of his scholarship and he will be required to devote his whole time to research.

10. The research scholar will be under the direct control of the Director of Public Instruction in all matters relating to the work, discipline, etc. His scholarship bills will be passed quarterly by him.

11. Applications must reach the undersigned on or before the 15th July 1945.
