21.04.2023
Deputy Secretary to
Government

HP Color LaserJet Pro MFP M479 series

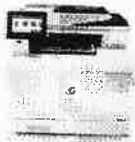

The HP Color LaserJet Pro MFP M479 -- focus your time on growing business and staying ahead.

Winning in business means working smarter. The HP Color LaserJet Pro MFP M479 is designed to let you focus your time where it's most effective--growing your business and staying ahead of the competition.

HP Color LaserJet Pro MFP M479dw

HP Color LaserJet Pro MFP M479fw

HP Color LaserJet Pro MFP M479fdw

Built to keep you—and your business—moving forward

- Scan files directly to Microsoft® SharePoint®, email, USB, and network folders.¹
- Help save time by automating all the steps in a complicated workflow and apply saved settings.²
- Print wirelessly with or without the network, stay connected with dual band Wi-Fi and Wi-Fi direct.^{3,4,5}
- Print effortlessly from any device, virtually anywhere, to any HP printer—securely through the cloud.⁶

Best-in-class security--detect and stop attacks⁷

- A suite of embedded security features help protect your MFP from being an entry point for attacks.⁷
- Help ensure security of confidential information with optional PIN/Pull printing to retrieve print jobs.⁸
- Optional HP JetAdvantage Security Manager lets you set configuration
- Thwart potential attacks and take immediate action with instant notification of security issues.¹²

Simply designed to uncomplicate your day

- Set up this MFP fast, and easily manage device settings to help increase overall printing efficiency.
- Tackle tasks quickly and easily—with the simple 4.3" (10.9cm) color touchscreen.
- Print Microsoft® office formatted files in addition to PDFs right off your USB drive.⁹
- Avoid interruptions with an HP LaserJet MFP designed to be streamlined for maximum productivity.

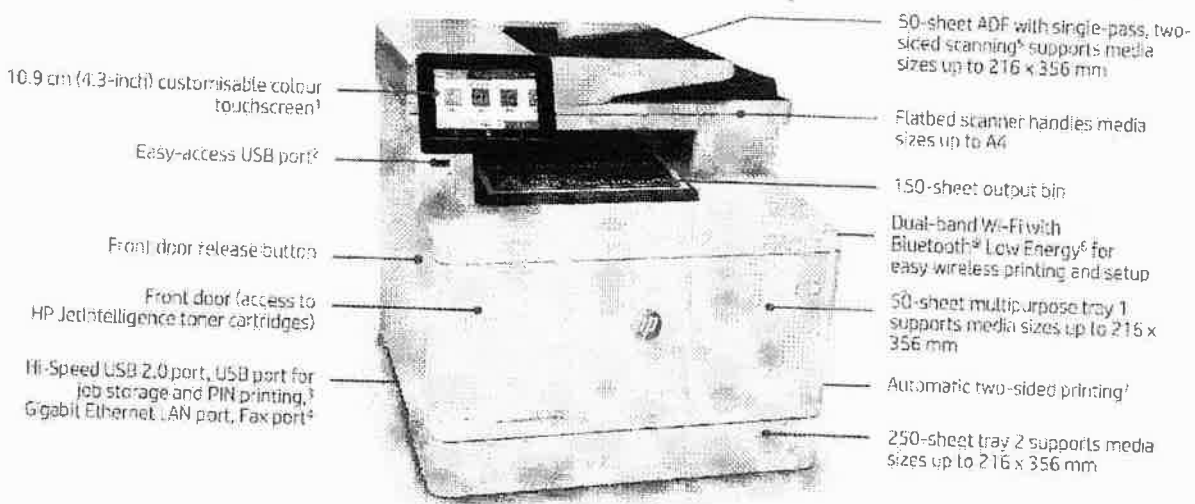

Sustainability is smart business

- Avoid frustrating reprints, wasted supplies, and service calls using Original HP toner cartridges.
- Help save paper right out of the box. The duplex print setting is set at default paper savings mode.¹⁰
- Saves up to 18% energy over prior products.¹¹
- Help save energy with HP Auto-on/Auto-off technology.¹³

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: Learn more at <http://www.hp.com/learnfcs>

HP Services

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs.

Choose from:

Optimized Care (optimum performance and stability):

4-hour Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

Standard Care (high level of uptime):

Next Business Day Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

Basic Care (minimum recommended support):

Next Business Day Onsite Support

4-hour Onsite Support:

Onsite support within four hours after a service call received within the coverage window

Next Business Day Onsite Support:

Onsite service the next business day after the service call is received

Maintenance Kit Replacement Service:

Onsite replacement of your printer's maintenance kit including parts, materials, and labor

Installation with Network Configuration Service:

Assembly, network configuration, and basic administrator familiarization. For more information about HP Care Pack, HP Contractual, or HP Managed Print Services, visit hp.com/go/printservices

Footnotes

- ¹ Requires an Internet connection to the printer. Service may require registration. App availability varies by country, language, and agreements. For details, see <http://www.hp.com/go/etop>.
- ² Connect printer to the network and consult the user manual for full details on the Embedded Web Server.
- ³ Wireless capabilities are not available with 2.4 GHz and 5 GHz capabilities. App or software may require an HP ePrint account. Registration may also be required. Some networks require purchase of an open Wi-Fi access point. Latency may affect <http://www.hp.com/go/etop> printing.
- ⁴ Features are fully supported by the HP Color LaserJet Pro MFP M479dn, M479f and M477f. Wireless performance is dependent on physical environment and distance from access point, and may be limited during active Wi-Fi connections.
- ⁵ Android is supported on the HP ePrint app. The HP ePrint app is available for free on the Google Play store. The app is designed to be connected directly to the local network of a wireless device capable of Wi-Fi. The app is not designed to be used over a proxy or other network. For more information, visit <http://www.hp.com/go/etop>.
- ⁶ To enable HP ePrint, some devices may require firmware to be updated and an optional accessory (not included). Low Energy (BLE) beaconing capabilities. Subscription may be required. For more information, visit <http://www.hp.com/go/etop>.
- ⁷ Based on HP review of 2019 published security features of commercial desktop printers. Only HP offers a combination of security features that can identify, detect and automatically block or mitigate threats to data and information. See <http://www.hp.com/go/etop> for more information.
- ⁸ Microsoft and PowerPoint are U.S. registered trademarks of the Microsoft group of companies. Feature works with Microsoft Word and PowerPoint 2007 and later. Only Latin language fonts are supported.
- ⁹ Does not apply to any other product line. All new product introductions beginning in Fall 2019 will include consistent worldwide default display settings across business divisions. Spring 2019 will include consistency.
- ¹⁰ Worldwide default duplex settings for most products across the most common devices.
- ¹¹ Resolution of internal testing using normalized TTF Value, 2010.
- ¹² Instant copy and scan operations can appear on the device control panel when a user is not logged in. If there is a log on vulnerability in the firmware code of the device, it could cause sensitive information to be exposed. HP is committed to the security of its products and will continue to update the device through security updates and patches. For more information, visit <http://www.hp.com/go/etop>.
- ¹³ Instant copy and scan operations can appear on the device control panel when a user is not logged in. If there is a log on vulnerability in the firmware code of the device, it could cause sensitive information to be exposed. HP is committed to the security of its products and will continue to update the device through security updates and patches. For more information, visit <http://www.hp.com/go/etop>.
- ¹⁴ Instant copy and scan operations can appear on the device control panel when a user is not logged in. If there is a log on vulnerability in the firmware code of the device, it could cause sensitive information to be exposed. HP is committed to the security of its products and will continue to update the device through security updates and patches. For more information, visit <http://www.hp.com/go/etop>.

Technical specifications disclaimers

- ¹ EPEAT® registered where applicable. EPEAT® registration varies by country. See <http://www.epeat.net> for registration details by country.
- ² In-Box cartridges yield - 1,200 color copies (A4) and 2,400 black pages based on ISO/IEC 19752 and 19753 on standard settings. Actual yields vary and are primarily based on images printed on other factors. For details see <http://www.hp.com/go/pageyield>. Pages may vary based on a variety of printing conditions.
- ³ Power requirements vary by model and the operating region. Refer to the printer's label for correct operating voltages. This will average the power and volt the device was designed for. Power consumption values typically based on measurement of 115V devices.
- ⁴ Laser cartridges designed for standard use and will work outside of designated region.
- ⁵ Declared yield value is in accordance with ISO/IEC 19752. Actual yields vary considerably based on images printed and other factors. For more information, visit <http://www.hp.com/go/pageyield>.
- ⁶ Local printing requires mobile device and printer to be on the same network (usually Wi-Fi) and devices must be connected or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. For more information, visit <http://www.hp.com/go/etop>. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. For more information, visit <http://www.hp.com/go/etop>. To enable HP ePrint, some devices may require firmware to be updated and an optional accessory (not included) and a compatible Low Energy (BLE) beaconing capability. Subscription may be required. For more information, visit <http://www.hp.com/go/etop>.
- ⁷ First Copy Time from Ready and Simple Copy Speed measured using ISO/IEC 24733. Duplex Copy Speed measured using ISO/IEC 24733, excludes first set of test documents. For more information see <http://www.hp.com/go/etop>.
- ⁸ Actual yields are subject to change. For current information see <http://www.hp.com/go/pageyield>. For more information, visit <http://www.hp.com/go/etop>.
- ⁹ Measured using ISO/IEC 24733, excludes first set of test documents. For more information see <http://www.hp.com/go/etop>.
- ¹⁰ Actual yields are subject to change. For current information see <http://www.hp.com/go/pageyield>. For more information, visit <http://www.hp.com/go/etop>.
- ¹¹ Measured using ISO/IEC 24733, excludes first set of test documents. For more information see <http://www.hp.com/go/etop>.
- ¹² Measured using ISO/IEC 24733, excludes first set of test documents. For more information see <http://www.hp.com/go/etop>.
- ¹³ Measured using ISO/IEC 24733, excludes first set of test documents. For more information see <http://www.hp.com/go/etop>.
- ¹⁴ Measured using ISO/IEC 24733, excludes first set of test documents. For more information see <http://www.hp.com/go/etop>.
- ¹⁵ Measured using ISO/IEC 24733, excludes first set of test documents. For more information see <http://www.hp.com/go/etop>.
- ¹⁶ Measured using ISO/IEC 24733, excludes first set of test documents. For more information see <http://www.hp.com/go/etop>.
- ¹⁷ Duty cycle defined as the maximum number of pages per month of expected output. This value provides a comparison of product cost per page to other HP LaserJet or HP Color LaserJet devices and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.
- ¹⁸ HP recommends that the number of copies per month of output be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended work day period.
- ¹⁹ HP ScanLife is a registered trademark of HP. ScanLife is a measure of the number of pages that can be scanned by the device over its lifetime. For more information, visit <http://www.hp.com/go/scanlife>. ScanLife is only available with original HP supplies (ink/toner) as required.
- ²⁰ IATA TEL is equal to Test TEC. Power requirements are based on the country/region where the printer is sold. Do not compare operating voltages. This will average the power and volt the product was only. Energy Star value typically based on measurement of 115V device.
